

# LINERWASTE

## Linerwaste

Complete pipe lining system.

- Liner: Circular knitted, seamless and flexible
- Epoxy: Linerwaste Base + Hardener
  - Slow
  - Medium
  - Fast
- RISE CR072 – Approved

RISE CR 072 is adapted for the Swedish market and has higher requirements and contains more tests than other certifications. Testing of the material takes place at RISE, which is a state-owned research and testing institute.
- Flexible liners for dimensional changes:
  - DN 50-70
  - DN 70-100
  - DN 100-150
  - DN 150-225
